Re: *Interconnection Agreement Negotiations Between AT&T
Communications of the South Central States, Inc. TCG MidSouth, Inc.
and BellSouth Telecommunications, Inc. Pursuant to 47 U.S.C. § 252
Docket No. 00-00079*

Dear Mr. Waddell:

On December 14, 2001, the parties filed motions for reconsideration of certain issues resolved by the Arbitrators in this proceeding. On Tuesday, December 18, the Arbitrators granted the parties' motions for reconsideration, although no rulings were made on the merits of the parties' motions. Subsequent to the granting of the motions for reconsideration, AT&T filed an unsolicited additional pleading, replying to BellSouth's motion for reconsideration. This is to notify the Authority that BellSouth intends to file a response to AT&T's motion for reconsideration. A copy of this letter is being provided to counsel for AT&T.

Very truly yours,

Guy M. Hicks
